

STATE OF NEW YORK  
EXECUTIVE CHAMBER  
ALBANY 12224

Lisa Jackson, Administrator  
U.S. Environmental Protection Agency  
Ariel Rios Building  
1200 Pennsylvania Ave NW  
Washington, DC 20460

Dear Ms. Jackson:

Pursuant to Title XV, Subtitle A, section 1511 of the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5) ("ARRA"), and the April 2, 2009 Grant Agreement from the U.S. Environmental Protection Agency to the New York State Department of Environmental Conservation (the "Grant Agreement"), I, David A. Paterson, hereby certify that the infrastructure investments listed in the Attachment to this certification, which are being funded with amounts made available by ARRA under the heading "Clean Water State Revolving Fund" to the Environmental Protection Agency, have received the full review and vetting required by law. I accept responsibility that such investments are appropriate uses of taxpayer dollars. I further certify that the specific information required by ARRA § 1511 and the Grant Agreement concerning each such investment (a description of the investment, the estimated total cost, and the amount of ARRA funds to be used) is summarized within the Clean Water State Revolving Fund link to be posted on the public website at <http://www.recovery.ny.gov>, and linked to [www.Recovery.gov](http://www.Recovery.gov).

I understand that ARRA infrastructure investment funding may not be received unless this certification is made and posted.

*David A. Paterson*

David A. Paterson  
Governor of the State of New York

Signed this 23rd day of June  
in the year Two Thousand Nine

Attachment

New York State Department of Environmental Conservation

## ATTACHMENT

- **Town of Owasco, Cayuga County** – Total project cost of \$1,569,000, of which \$1,551,368 is being financed through the Clean Water SRF program. The Town is eligible for up to \$775,684 in ARRA principal forgiveness. This financing will support the planning, design and construction of the Town of Owasco's Archie Street Sanitary Sewer Rehabilitation and the construction of a high flow pump station. The sewer district is subject to high wet weather flows. This project will help to convey flows that exceed system capacity to a storage tank for later treatment.
- **Village of Weedsport, Cayuga County** - Total project cost of \$6,145,000, of which \$5,145,000 is being financed through the Clean Water SRF program. The Village is eligible for up to \$2,572,500 in ARRA principal forgiveness. This financing will support the planning, design and rehabilitation of the Village's sanitary sewer system and for construction costs associated with upgrading the community's wastewater treatment plant in order to mitigate the water inflow into the sewer system and ensure compliance with all environmental permits.
